Savannah is sired by TS Red River Tuff, a son of 107" TTT, Cowboy Tuff Chex, and a 100" TH daughter of 81" TTT, JP Rio Grande. Savannah's dam is a 77.50"+ TTT daughter of 90.1250" TTT, RC Bootlegger, who is a son of the great 81.50" TTT, WS Jamakizm. She has good size and conformation and lots of horn in a beautiful horn set like her dam's. Better yet, her dam had awesome mothering qualities and gave us 4 heifers and 2 bull

**TTT:** 78.2500 on 10/23/2024
